## CELEBRATING NINE YEARS OF EVERFREE NORTHWEST

Hello there! It's been a while, hasn't it?

After more than a year without a convention, let us be the first to welcome you all back to Everfree Northwest for our Ninth Annual event. Our theme this year is "Celebrating our Past, Embracing our Future." This comes at a time when our fandom family faces a crossroads with the ending of MLP G4, and with a pandemic that has profoundly affected our way of life. It's a crossroads for our convention staff family as well. We have a new venue, in a new city. We have some new event formats as we adapt to the challenges of remote guest appearances. And while Everfree may look a little different this year, it still carries on the legacy of quality programming and community focus that comes from nearly a decade of experience. That is a past we proudly celebrate.

While we look back on our history with nostalgia and fondness, we also look to our future with a spirit of optimism. The world is opening back up! G5 is coming! And against all odds, the fandom continues to grow. We're still here! We look forward to seeing what new waves of creativity, generosity, and kindness this new generation will bring. That is a future we willingly embrace.

The past year and a half has been a period offering some of the greatest challenges in this fandom's history. But as this community has shown time and again, greater still is our ability to face these challenges and overcome them, together. We're proud of the efforts that our volunteers have made to make this event the best that it can be, and we hope you will be too.

Welcome to Everfree Northwest 2021. Welcome home.

# CODE OF CONDUCT & POLICIES

Our goal at Everfree Northwest is to bring Equestria to Earth in every way possible. Just as the land of Equestria has rules to help guide its citizens to a safe, friendly and harmonious way of life, Everfree Northwest has rules to help everypony enjoy the event. Please keep these rules in mind so that we can work together to create a pleasant experience that all can enjoy.

The following is a consolidation of our event policies, which can be found in full online: <https://everfreenw.com/about/policies/>. Attendees are expected to comply with all of the listed policies while attending Everfree Northwest 2021. Attendees must also comply with hotel policies as well as all applicable federal, state, and local laws.

- Failure to comply will result in corrective action, restriction of access, or revocation of membership without refund or reissue. In extreme cases, local law enforcement may be summoned. Any and all inquiries regarding Everfree Northwest or its policies may be brought to the Info Desk.

## COVID-19

- The safety of all of our guests and attendees is our top priority. Due to the ongoing COVID-19 pandemic recovery, it is necessary that we adhere to all local, state, and federal health and safety mandates in order to host our event. At this time based on current CDC recommendations and local guidelines, masks will be required for all persons in convention-controlled areas of the hotel, regardless of vaccination status. Wearing a mask is strongly encouraged in any public indoor space in or around the convention. Wear a mask for your own safety and the safety of those around you.

# CHARITY AUCTION

One of our most cherished traditions returns again this year as we auction off the donations of amazingly generous people to the highest bidder, all to help generate a lasting impact on our community.

The proceeds from the auction, combined with other fundraising efforts during the event and throughout the year, benefit our carefully selected annual charity. To date, our attendees and staff have helped raise over \$180,000 to benefit local and national charity organizations. For 2021, we are proud to announce that charity donations will benefit **Washington Autism Alliance** (<https://washingtonautismalliance.org>).

## Our Impact

Washington State has an estimated 130,000 children, youth, adolescents and adults living with ASD, with nearly half of them from low-income families. We want every one of them, rich or poor, to have an equal chance to thrive and succeed in life. With your support, WAA can:

- Expand individual and systemic legal advocacy in healthcare and education through partnerships and a flexible fee structure.
- Eliminate barriers to care through legal, legislative and grassroots partnerships.
- Empower individuals and families through a network of social support and self-advocacy.
- Pilot and scale training programs for primary care and behavioral health providers.

Thanks to the generosity of people like you, this is what WAA has been able to accomplish in the past year:

- Empowered 3,200 families through counseling, trainings and resources to secure treatment funding through private insurance and to secure effective services in public schools throughout the state.
- Made headway with the Office of Insurance Commissioner to issue regulations on how insurance companies should address external appeals.
- Advocated for better training and a career path for para-educators.
- Advocated for over 1.5 million dollars in funding developmental and autism screening for toddlers suspected of having autism.

We could not do this without your support and donation! Your willingness to support and honor those with Autism will change the world! Thanks for being part of something bigger than all of us!

## TABITHA ST GERMAIN

### VOICE OF PRINCESS LUNA & RARITY

Tabitha is an experienced voice actress, performer and professional force of nature. Originally starting out in stage plays and musicals, Tabitha has left her unique mark on many, many shows since. MLP fans know her in her shining roles as the voice of Rarity, Princess Luna and Granny Smith, but she regularly brings other characters in Equestria to life – Who could forget performances like Golden Harvest, Princess Flurry Heart and the Gravy Boat? When she's not working for a top secret group of space ninja assassins or gardening, Tabitha has a colorful life even without tiny horses – Every role she's been involved in would be too numerous to list, but examples include Pepper Clark from Littlest Pet Shop, Nokoma from the Bionicle specials, Pashmina from Hamtaro and many, many more. More recently, she's been featured in videogames such as Dragalia Lost and Thimbleweed Park. Fun fact: There is a strong chance Tabitha will become a crazy cat lady at some point in her life. Or is she already? Let's be honest: It is frankly impossible to describe Tabitha adequately in an announcement text. If you ask me, this would need to be a 12 page long avantgarde poem to get close.

Her first gig, at the age of 9, was a lead in the animated movie, Little Golden Book Land playing Pokey the Little Puppy. VOICE OF DRAGON LORD EMBER

Working as a professional musician and original artist since she was 15 years old, Willa Milner is no stranger to performance. After wanting to be an actor all her life, she decided to finally take the plunge in 2013, kicking off her film/TV career soon after with the coveted role of Liz in MGM's If I Stay. Willa soon found voice acting and booked the role of Princess Ember in the wildly popular show My Little Pony: Friendship Is Magic. She also thrives in the advertising world and is the brand voice for multiple national and international campaigns from Plenty of Fish to Coffeemate. 2018 has been a return to her music and songwriting, with Willa moving to Toronto and working with some of the greatest songwriters in the country. She's just completed several song workshops including a trip to Nicaragua with the top pop writers in North America and was just mentored by Babyface; one of the greatest writers and producers of all time. With several singles complete and ready for the world to hear, Willa Milner is more than ready for the next chapter.

## ESCAPE ROOM

### Daring Do and The Eye of McGuffin

You, Rainbow Dash, are chilling in a tree, thinking about how to increase your coolness by 25%, when Daring Do gallops up. She needs your help! Seems there are rumours in the criminal underground that a group of thieves have discovered where The Eye of McGuffin is located and plan to take it! This artifact cannot fall into the wrong hooves because it is said to make ponies highly suggestible and able to be bent to anypony's will! No pony alive knows where The Eye is now, but if there is one place where you could find out, it would be the Canterlot Archives...

- Cost is \$40 (per group) to rent the room for one hour.  
 - Tickets are available at Registration until all time slots are filled.  
 - Teams of four ponies recommended, six ponies max.  
 - Located in Birch Room
